Dear Building Owner,

We hired Cost Segregation Services, Inc. to provide us with a Cost Seg study for tax purposes.

They did a very good job and I would recommend them to any building owner. Our CSSI rep, Todd Strumpfer, and the rest of the staff at CSSI worked well with our office and our CPA to get the study completed. Our actual tax benefit came out more than double what they had estimated which is great.

If you're looking for a solid firm to do your Cost Seg study, I recommend CSSI.

Sincerely,
