Dear Building Owner;

We worked with Todd Strumpfer and Cost Segregation Services (CSSI) to get a Cost Seg Study done on one of the retail buildings located on a property we manage and develop. The Study saved the group over \$275,000 in taxes. We are pleased with the results and the working relationship we have with CSSI.

I would not hesitate to recommend their services to other building owners or their managers.

Thank you,

A handwritten signature in blue ink that reads 'Donna A. Weiner'.
